

Laetitia Chiragarhula

Email Developer

I'm a person-centred developer trained through Code Your Future Bootcamp, eager to learn and grow, with proven skills and experience creating and maintaining email templates and emails. I am currently seeking to build a career and apply my skills in the field of Email development and Marketing. I am available to start immediately.

WORK EXPERIENCE

Web Developer

Code Your Future Graduation project

10/2020 - 11/2020

Manchester, UK

Achievements/Tasks

- Built a Q&A app as part of a team of 3 full-stack developers and 1 product manager. The application serves the CYF community as a way to ask technical questions and get answers.
- Created and styled front-end components such as icons, navigation, footer, list cards, forms, buttons, modals using React.js, React Bootstrap and React Icons.
- Created backend infrastructure for posting and deleting questions using Postgress, SQL, Express.js.

French Language Tutor

Self-employed

08/2019 - Present

Manchester, UK

Private and group French lessons for adults, in person and online

Achievements/Tasks

- Creating an engaging and friendly learning environment through personable conversation and tutoring style.
- Designing a learning curriculum based on students' French language skills level.
- Creating and maintaining positive working relationship with agencies.
- Carry out administrative tasks such as sending invoices, manage lessons' dashboard in online tutoring system, send lessons notes.

Account Executive for Eastern US and Canada

Bitglass

01/2017 - 12/2017

San Jose, California

Manufacturer of Cloud Software Security

Achievements/Tasks

- Generated 200% increase of regional revenue with net new accounts.
- Creation of email campaign to generate new leads.

Inside Sales Representative for French Market

Aerohive Networks

02/2012 - 12/2016

London, UK

Manufacturer of Enterprise Wireless

Achievements/Tasks

- Created email campaign, newsletters and marketing programs.
- Provided presentations and demonstrations of the Aerohive solution to prospective customers and partners using Powerpoint and product' software GUI.

EDUCATION

Web Development Bootcamp
